Office of the State Treasurer Nancy Farmer

Welcome to our unclaimed property auction. We are glad you're here.

The items being sold today came from thousands of "abandoned" safe deposit boxes. State law requires financial institutions to turn over to the State Treasurer's Office the contents of safe deposit boxes for which rent has not been paid and there has been no contact or documented transactions with the owners for five or more years.

We receive the contents from approximately 600 – 800 boxes each year. Because of limited storage space, the Treasurer's Office periodically will sell non-monetary property of value at auction to the highest bidder. It's important to note that unclaimed property NEVER becomes the property of the state. In the case of auctioned items, proceeds from the sale of items are recorded in the owner's names. The original owners or their legal heirs may claim the proceeds at any time.

My office is now holding more than \$300 million in unclaimed property. The vast majority consists of cash from abandoned bank accounts, stocks, bonds, utility deposits, refunds and proceeds from insurance policies. The names of over 1.5 million owners are recorded on our unclaimed property database. Our goal is to reunite people with property that is legally theirs.

Anyone can quickly and easily learn if we are holding unclaimed property by searching our database on the Internet at www.showmemoney.com. Our services are always free of charge. I encourage you to check our unclaimed property program – Missouri's largest lost and found.

Sincerely,

A handwritten signature of Nancy Farmer in cursive script.

INTRODUCTION

The Unclaimed Property Auction is being held pursuant to Section 447.558, RSMo that provides for the sale of unclaimed property to the highest bidder at public auction.

Thank you for your attendance and interest in unclaimed property.

Condition of Items

1. Items are to be sold by lot number and no items may be removed or separated from packets.
2. Contents of the safe deposit boxes shall be sold "as is, where is." Neither the State of Missouri nor the auctioneer makes any warranty of any kind, expressed or implied, as to the condition of the article offered for sale. There is no guarantee for any dates, markings, item counts or authenticity of any item.
3. All descriptions of items are for informational purposes only and the State of Missouri and the auctioneer do not accept responsibility for any errors or omissions.
4. Announcements of the day of the auction take precedence over any and all previous written or oral announcements. Buyers should be made aware that due to claims forwarded to the Unclaimed Property Division, some items included in the catalog might be removed from lots prior to the sale date. Such omissions will be announced when an affected lot is presented for sale.
5. The State of Missouri and auctioneer reserve the right to reject any and all bids pursuant to Section 447.558 RSMo. However, it is not the intent of the State of Missouri or the auctioneer to purposely reject bids.

Sale Terms

1. All potential bidders are to register with the cashier and obtain a bidder number in order to bid on any item(s). To obtain a bidder number, the bidder must register with a full name, address and current photo identification such as a valid driver's license.
2. The bidder should clearly exhibit his/her bidder number to the clerk and auctioneer after each purchase to avoid bidder-recording errors.
3. Sales tax will be added to the purchase price of all taxable items.
4. Upon award of the bid, all risk of loss, damage or destruction of purchased items passes to the buyer and neither the auctioneer nor the State of Missouri shall have any liability whatsoever for damage or destruction of any lots. Buyer shall make his/her own arrangements for insurance coverage of all items purchased.

Payment Terms (Methods of Payment)

1. Bidders can pay for and pick up items purchased following the sale of each item or at the end of the sale day. All items sold must be claimed and paid for by the end of the sale day or they may be sold at a later date.
2. No items are to be removed from the premises before settlement or payment for the item.
3. The State of Missouri shall only accept payment made in the form of cash, travelers or cashiers checks, or wire transfer. Personal checks or company checks will be accepted only if accompanied by an irrevocable bank letter of credit addressed to the Unclaimed Property Division/State of Missouri. No exceptions will be made.

4. The auctioneer may choose to group several lots together to expedite the sale.
